REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

C.E. Williams Middle School Report Card demonstrates an understanding of student achievement and successes. It highlights the school's data, needs, and happenings. We pride ourselves on providing each student with a high quality classroom instructor and a safe and orderly school environment. We utilize the CCSD Coherent Curriculum, MAPS testing, Saturday Academy, PBIS, and the recent addition/purchase of Study Island, a comprehensive web-based program that fosters critical thinking, as well as, tutorial programs for struggling learners. C.E. Williams prides itself on infusing the arts with a rigorous course of study for all students. We offer Algebra, Keyboarding and Spanish for high school credit. Our courses are being taught by 7 Nationally Board Certified teachers. GT is offered through an elective course and infused in honors courses that are designed to both challenge and reward high-flying students. The school has a nationally recognized Robotics program and Science Decathlon receiving top prizes in competitions around the nation. Both programs have competed at the national level and Robotics has competed at the world level two out of the past three years. We are fortunate to have received significant assistance with updating our books in the Media Center. We offer one of the best arts programs in the district. Students can select from Drama, Chorus, Band, Strings, two differing Arts, Spanish, Computers, Health & PE and Research. C.E. Williams' teachers are recognized throughout the district as some of the best the district has to offer. We are proud to boast 2 district Teacher of the Year runners-up and a finalist 3 out of the past 4 years. As your principal, I, Robert Grimm and your School Improvement Council Chairman, Jim Lentz, will always strive to provide your student with the best teacher we can find.
